One life, one love  
Gettin' ready to ride  
New name, new place  
And the feelin' is right

She takes care of the man in me  
Ooh yeah, sets the bad boy free  
Don't understand the way live  
Knows when to take and knows when to give

Too hot, too hot to handle  
Lay me down right now  
Too hot, love is a gamble  
Don't stop let it out

One head, one heart  
Sweet child is born  
New shoes, new face  
And the passion is strong

Workin' hard it's tough on the street  
Her love gets me back on my feet  
The flame is high she feeds the fire  
Nothin' can stop my burnin' desire

Too hot, too hot to handle  
Lay me down right now  
Too hot, love is a gamble  
Don't stop let it out  
Let it out, let it out, right now

Too hot, too hot to handle  
Too hot, too hot to handle  
Too hot, too hot to handle  
Too hot, too hot to handle

Too hot, too hot to handle  
Lay me down right now  
Too hot, love is a gamble  
Don't stop let it out

Too hot, too hot to handle

Lay me down right now  
Too hot, love is a gamble  
Don't stop let it out  
Let it out, let it out, right now
