Malefic power of damnation of mighty possession
Hypnotized by infernal dance of the goats
Around the fire of hell
Bewitched by eternal praises of your lord
Leviathan
Unholy rites for a black mass, sacrifice the
Chosen virgin
World of fire, evilish war
Rotting flesh and corpses to butcher
Human is your toy
And massacre your jog
Bewitched by eternal praises of your lord
Leviathan
The right is the devil path, smelling fresh death
Fill your eyes
Spread your blood
Crucifixion, you're under my domination
Power of damnation

Demoniac possession
Bewitching desecration
Eternal domination
Welcome to you in my kingdom of fear
Take my hand to this better world
Bewitched by eternal tales
Of our lord leviathan
Unholy organism in the pleasure of damnation
Where bible and Christ are just a desolation
On your cross you die and slowly rot
By our flesh our victory is nearer
Support the wear against hypocrisy
Join our army of truth
Power of damnation
Demonic possession
Bewitched desecration
Sadistik retribution
