(Chorus)

Gamers starin' at the t.v set.  
Play that (Lemmie see the Genesis)  
Gamers starin' at the t.v set.  
Play that (I wanna see that NES)  
Ah come play with me, come play with me, come play  
with me  
Some psp, some 360, some ps3  
Work them sticks gamer

Touch all the buttons on the controller  
Grab on those joysticks and give them both a twirl  
I wanna see you playin' on the living room floor  
This here ain't luck whatcha think I play so much for  
An I'm just getting warmed up  
It takes half a day before I get a sore butt  
Clicky clicky clicky now I'm the next world  
Work them sticks gamer  
I wanna see that controller shake  
Come to my mom's crib we can play until day break  
We can play until your thumbs ache  
Think about that but right now I'm gonna master  
The game Grand Theft Auto.  
You think I'm going fast now just wait until I hit turbo.  
I play in their world.  
Work them sticks gamer

(Chorus)

Gamers starin' at the t.v set.

Pardon all the trash talk I'm sorry bout your loss  
I just scored a touch down using Randy Moss  
Get that internet connection and plug it on in  
I'm feeling real cocky I'll take on your friends

We can gather round my new 360  
There ain't nothing to a gamer  
I play on the x-box live on live I'm always in the cyber  
world.

Work them sticks gamer  
Imma make em look dumb  
Old granny hardcore you don't want none.  
Imma be here all night just starin' at the screen  
Workin' on my game till I'm the best on my team  
Work it to the right move your finger to the left  
Work 'em all around till your finger tips are red  
I'm not kidding you I like x-box more than my girl  
Work them sticks gamer

(Chorus)

Gamers starin' at the t.v set.  
Play that (Lemmie see the Genesis)

When the games over you know I'm talking trash  
If you wanna lose again you can have a rematch  
Geeky young girls like to watch me play in  
Maybe in a month I'll be able turn them in  
I'm doin' hard work when you see me on this couch  
No I don't work out how ya think I got this pouch  
And I'm not gonna budge I never play to much  
Work them sticks gamer  
Go on and put in halo  
You see that x&y Imma show you what they made for  
Sure against beginners your un-beat  
But lets see how you play when you play against the  
junkie  
Cause your nothing but a rookie  
I hope your butts to receive this whopping  
Imma show you some new tricks I just learned.  
Work them sticks gamer
