[Queen Latifah]

You asked I came so behold the Queen  
Let's add a little sense to the scene  
I'm living positive not out here knocked up  
But the lines are so dangerous I ought to be locked up  
This rhyme doesn't require prime time  
I'm just sharing thoughts of mine  
Back again cause I knew you wanted it  
>From the Latifah with the Queen in front of it

freedom!

[Queen Latifah]

We the people hold these truths to be self-evident

[KRS-One]

But there's no response from the president

[Queen Latifah]

Someone's living the good life, tax-free

Except for a girl, can't find a way to be crack free  
And that's just part of the message  
I thought I had to send you about the evil that men do

Tell me, don't you think it's a shame?  
When someone can put a quarter in a video game  
But when a homeless person
