[KRS-One]

Off beat, what you know about it?  
All heat, all street, my dough I be about it  
I eat all week, I don't need to shout it  
I'm legendary, in many books you can read about it

Well I'm back to let you cats know that  
I'm not asleep, I heard your mixtape raps  
What, you think I'm weak like one of these old school  
cats?  
You better hear me speak before you get holes in your  
back

Ain't nothing here sweet except your whole damn pack  
Why I gotta return? Cause y'all's so damn wack wack  
You never will learn. That's why the teacha's back  
Now you gon' feel that real golden age rap

Unfolding the gat  
This ain't no place for no amateur block rap  
Rappin' about your hammer is cocked back  
That means you fuckin' with a six-shooter  
And we got big guns that can stop that

All you hear is klug-clack-klug, klug-clack-klug  
And you and your man y'all fall backward  
Y'all ain't nothin' but actors, bitin' like Dracula  
Kris spit spitacular

[Chorus] - 2x

To my block - I got you  
From the bottom to the top - I got you  
When you need that raw HipHop - I got you  
I mean that '94 HipHop - I got you  
If you ain't got nowhere to go - I got you  
VIP passes to my show - I got you  
Come to my crib, let's take it slow - I got you  
Never forget, you gotta know that - I got you

[KRS-One]

You listenin' to the depth of the heat

I'm omni-hood, that means I rep' every street  
When I come around cats get up and eat  
On the mic I won't let up 'til the end of the beat

I stay tight when I recite and sendin' you heat  
Let's compare, what's your agenda this week?  
Me? I be chillin' out in sacred buildings with my children  
Free as a fly on the ceiling

[Chorus]- 2x
