[Hook: Nas Sample: "You're Da Man"] X2

If I, ever make a record  
I'll take a check and put something  
away for a rainy day to make my exit  
But look at me now, but look at me now

[Intro: KRS-One]

Here we go, yo, yea, KRS in the building  
Marley Marl, whuttup, Marley Marl, yea, look up

[Verse One: KRS-One]

Yo Nas, this KRS shouting you out  
B.R.O.N.X. I couldn't make it to the jam  
to be live on your set  
But take these sixteen as a sign of my respect  
You're Illmatic and you still got it  
The crown of Hip-Hop, there's still time you could still  
grab it  
Don't be distracted by them faggots  
You still fly, they remain maggots  
Nas, you will not lose  
Your contribution to Hip-Hop makes you the top two  
And with KRS, we're the top two  
These mothafuckas find themselves laid out on FOX  
news  
Yo Nas, Hip-Hop can't be dead, you brought it back  
With the words you said, you are Hip-Hop fo'real  
And that shit between you and Jada, y'all gots to chill

[Hook: Nas Sample: "You're Da Man"] X2

[Interlude: KRS-One]

We're all brothers, we're all brothers, rise up, Hip-Hop  
Nas you're the man, word up, Hip-Hop, One Nation  
Big up, from the Bronx, to Queensbridge, Marley Marl  
in the house  
Come together, rock on, Bronx, Queensbridge come  
together

[Verse Two: KRS-One]

Uh, you brought Queensbridge back

And like my man Fat Joe, you made the Bronx lean back  
Nastradamus I seen that  
You was a heavier times then man, a Prophet, I mean  
that  
People ask where's Dr. King's dream at?  
I think it's Hip-Hop, we already seen that  
Yo Marley, I know you're in the building  
Yo Kelis, I know you're there chilling  
Shout-out to the Queen on the scene  
Hip Hop is Dead I know what you mean  
I seen Hip-Hop die about five times already  
But yet, we still rock steady  
Stay ready, we're about to resurrect career, the real,  
fo'real  
They gon' feel the steel  
K.R.S. - N.A.S., North, South, East, West

[Hook: Nas Sample: "You're Da Man"] X3

[Outro: KRS-One]

Congratulations, you gon' do it this year  
Hip-Hop come together, it's real, we're one family  
Fuck all these beefing and shit  
We're one family, let's come together, word up  
Rock on, Marley Marl, another house for hits production

[Nas Sample: "You're Da Man"]
