To the beat y'all, play that beat (5x)  
(This is a Missy Elliott exclusive)

[1st Verse]

When you wanna go around the world (I'm ready)  
And if you want me to fight your ex-girl for you (I'm ready 2x)  
If you need me to cook you meals (I'm ready)  
And if you want me to come and chill with you boy  
(Suga' I'm ready)

[Chorus]

You don't know how you got me  
I've never been in so, but not me  
I was always told not to be  
Givin' up the [cat] easy

Something you do reminds me  
Friends be tryin' to stop me  
They can't believe you got me  
Givin' up the [cat] easy

[2nd Verse]

When you need a backrub from working all day (I'm ready)  
Uh when you need a chick to come over right away (I'm ready) (Like this)  
When you need me to wash your clothes boy (I'm ready)  
When you need me on the phone to curse out the hoes  
(Suga' I'm ready)

[Chorus]

Boy there ain't none quite like you  
Ask me and I'll always do  
Cuz' I got this thing for you  
You know what a little [cat] can do

[Repeat]

[Chorus]

I'm ready when your baby mamma trips  
So just call me come in doin' backwards flips  
My darling  
Would you like me bust her lips  
Cuz' I'm ready, show you I'm the realest chick  
And I love you  
I'll do what you want me to do  
I said I love you  
For you I'm more than a crew  
I'm Mrs. Do-right  
Can't go wrong with me  
I said R-E-D-Y  
Always on time  
Uh, come on
