Yeah, whassup? Whassamatta you?  
(You)  
Why you lookin' so sad?  
(So sad)  
KRS is back, but you don't look so glad  
(He's back)

Ahh, shutupyouface, look at this place  
Why was I chosen to pick up the race?  
And carry the flame, the torch, the name?  
Millennium games, it's all the same  
Sinners repent, many for fear  
End of the year, everyone cheers  
Only a few hear my voice in they ears

Everyone else well they really don't care  
But what if I told you I could read the future  
And in the future, they the losers  
We the winners, cause they the sinners  
Well it's all mathematics, can I eat my dinner

And think why was I made to link  
(Think)  
Between them and the universe, battle, who the first?  
I don't really care 'cause I'm really not here  
I'm showin' you skill, but you still sayin', "Where?"

Whassamatta you? Why you lookin' so sad?  
(You)  
(So sad)  
KRS is back but you don't look so glad  
(He's back)  
Ahh, shutupyouface

Every race, walkin' around with they head up in space  
They cannot see that we all really one  
In any battle I already won  
Thank the creator, it's already done  
KRS-One? Leavin' 'em stunned

Dunn duh-duh dunn dunn done it again  
Me and Will and my brother named Ken

Now let me tell you  
The bass in your face, the highs in your eyes  
Will make you realize  
If you down with the temple of Hip-Hop

You not no average guy, or girl  
C'mon take a critical look in my world  
See the metaphysical books that I twirl and twist  
Forces the ventriloquist  
I'm just a dummy gettin' money at this name Kris

Whassamatta you? Why you lookin' so sad  
(You)  
(So sad)  
KRS is back, but you don't look so glad  
(He's back)  
Ahh shutupayouface

KRS-One, Knowledge Reigns Supreme Over Nearly  
Everyone  
Look, I be chillin' readin' a book  
While the hip-hop nation repeats my hooks  
All I wanna see is y'all healthy and wealthy  
Yeah, we already did it, really what can they tell me  
About the pimps and the hoes, players and the clothes

You gets no money if you got no flow, no skill  
C'mon y'all it's time to build  
If you got no skill, how you gon' build?  
Build, c'mon y'all it's time to build  
If you got no skill, how you gon' build?

Whassamatta you? Why you lookin' so sad  
(You)  
(So sad)  
KRS is back, but you don't look so glad  
(He's back)  
Ahh shutupayouface, negative ass  
We bring the light

North Carolina, they got me  
Florida, they got me  
Texas, yeah, they rock me  
In New York City they got me

L.A., ha hah, they got me  
Canada, up North they rock me  
D.C. Atlanta, they got me  
Ha hah, none of y'all can't stop me

Whassamatta you? Why you lookin' so sad

(You)  
(So sad)  
KRS is back, but you don't look so glad  
(He's back)  
Ahh shutupayouface! Give it to 'em
