[KRS-One]

Yeah, Kool Herc!

Kool Herc, this goes out to you

KRS-One, word up, look

Temple of Hip-Hop, non-stop, we rockin you  
This is what them b-boys be poppin and lockin to  
Head moves, windmills, and yes uprokin to  
From Mr. Wiggles, Boogaloo Shrimp, and Shabba Doo  
Uh-oh, time for the truth to start boppin through  
Stompin through, with somethin new man, we shockin  
you

This is what hip-hop'll do, perform the impossible  
Knowledge Reigns Supreme Over Nearly Everybody  
OOOH

I'm philosophical, logical, very topical  
These rappers man startin to look comical  
But I'ma do what I'ma do and never follow  
I'ma do, Amadou, even if it leads to Diallo  
Victory over the streets that's our motto  
Some gotta work for it, others hit the lotto  
But big up Luna, Empire, Beedo and Gato  
Watch how I spit fire, it's been a long time yo  
But really it's a short time, cause I'm already in 2020  
Me and Herc yellin MAKE MONEY MONEY MONEY  
Hear me sonny while it's sunny release your rhyme  
Get your money, ain't nuttin funny, but get peace of  
mind
