You're like a Cadillac
Cool breeze in the 70's
You and me
Holding hands, talking family

That Southern thing I like
You got that Southern stuff I like
It's like after school
Feignin' hard, 'cause I'm into you
Barbecue
I'll even open the door for you

I know that's what you like
You've got that Southern stuff I like
Like, like

Sweet Southern thing
Pretty skin, hair fixed
And when you grin
That's when our lives begin

Cool like a fresh breeze
Ooh, please come with me

Let's take a ride
Swing to the other side
I'm much obliged
To make your acquaintance

You're full of substance
And oh, girl, I love it

You're like a Cadillac
Cool breeze in the 70's
You and me
Holding hands, talking family

That Southern thing I like
You got that Southern stuff I like
It's like after school
Feignin' hard, 'cause I'm into you
Barbecue

I'll even open the door for you

I know that's what you like
You've got that Southern stuff I like
Like, like

Miss Georgia Peach
Carolina, when you speak
Your southern drawl
Makes me wanna know you more

Do you want a big family?
Well, if so, I can handle it
A gentleman do the very best I can,
Provide for you, I know you want to finish school

Intelligence is beauty
Girl, I want to be your study

I know just what you like
(I know just what you like)
I know just what you need
Southern loving, girl
(Southern loving, girl)
Is all you need from me
(All you really need from me)

I know just what you want
I know just what you need
(What you need)
Southern loving, girl
(Southern loving, girl)
I can set you free
(I can set you free)

Cadillac
Cool breeze in the 70's
You and me
Holding hands, talking family

That Southern thing I like
You got that Southern stuff I like
It's like after school
Feignin' hard 'cause I'm into you
Barbecue
I'll even open the door for you

I know that's what you like
You've got that Southern stuff I like
Like, like

That Southern thing I like
You got that Southern stuff I like
It's like after school
Feignin' hard, 'cause I'm into you
Barbecue
I'll even open the door for you

I know that's what you like
You've got that Southern stuff I like
Like, like

Southern thing I like about you
Southern thing I like about you
