[[["I'm going to count backwards from 3 to 1... and  
when I get to 1... You will be back  
At the time when your father first made you feel that  
way... 3... 2... 1..." ]]]

#### Verse 1

Dad, you disgusted me... the way you ain't trusted me...  
--I'z so scared o' you touchin me (that) I repeated  
reluctantly...

Your words mind fuckin' me... why you so rough w/  
me... ?

... u said it would toughen me, that shit ain't do nothin'  
B

Why would u yell?Â– why would u hollar?... why would u  
twist my shirt collar... ?

Why would u talk shit to momma, why would u u create  
so much drama?...

Why would u threaten to kill me just cuz I ain't confess  
That I stole a Hustler magazine outta yo fuckin' desk! ?  
Please let go of me, Dad(dy)---I don't wanna get beat...  
"You're a little piece of shit, you little muthafuckin'  
thief"

How dare you fuckin' lie to ME? Don't you sit there and  
cry to me!

I'll teach you to respect my privacy...

#### Chorus

YER A LIAR Â– A SNEAK- - A CHEAT Â– AND A THIEF...  
SAY IT OVER AND OVER OR I'LL KNOCK OUT 'DEM  
TEETH...

"I'm a liar... a sneak... a cheat... and a thief...

Plz don't hit me Dad... I don't 'wanna get beat..."

#### Verse 2

The more we say who we are, we become what we  
say...

--- u made me call myself a thief... just about every  
day...

In 'da 2 decades that passed by, dad-- I'd sit and I'd  
ask why...

I never (even) got to have jus' one fuckin last cry...

But I can't let it just pass byÂ–(so )(here) I ain't gonna

soften it...

YESSSS---- I stole that magazine... Dad—an' I even jerked off in it!

Instead of making me scream, "I don't wanna get hit." You coulda sat me down and really taught me some shit...

But since u was too pussy, I hadta learn from your Hustlers...

All I learned about love was "BITCH, I WANNA FUCK YA"

An I was so little, yo-- I ain't weigh a buck thirty...

U never did hit me but u ain't hafta to hurt me...

Cuz whas even worse... was how I lived out your curse...

When (next) I broke in that office and stole the principal's purse...

I was a thief dad, your words did more than just hurt...

Thas why I imbezzled from every store where I worked...

---cuz I'm A CHEAT DAD—thas what u taught me...

--when I took that magazine and yo fat ass caught me...

U think this sounds wrong, u just embarrassed found porn?

Or iz u mo' embarrassed now that your story's a rap song?

#### CHORUS

YER A LIAR — A SNEAK- - A CHEAT — AND A THIEF...  
SAY IT OVER AND OVER OR I'LL KNOCK OUT 'DEM  
TEETH...

"I'm a liar... a sneak... a cheat... and a thief...

Plz don't hit me Daddy... I don't 'wanna get beat...

#### VERSE #3

No other animal dad fucks up it's kids how we do...  
But I'm a Father now an, man, YOU someone I see through...

I ain't wanna be you,... Kayden's turning four...

An' I (jus)' caught her stealin' stuff outta my (own) drawer...

--when I said "whachu doin?" that little thief fuckin LIED...

-- completely denied... (an') I swear that I tried...

To hold myself back, Dad what should I teach her?

Do I twist her pink t-shirt? Do I threaten to beat her?

All I know'z—what u taught me... PLEASE GOD-- DON'T  
LET MY FIST COCK...

Is this how YOU felt, Dad? wuz YOU tryin to stop?

Wuz u doin me—just how your Dad did you?

I wanna go off on Kayden --- (but) damn--Dad... -- I—  
forgive you...

I forgive u... Kayden—and myself—I'm a end this

fucked up pattern today... I'm letting go...

#### FINAL CHORUS

I'm NOT a liar, I'm not a sneak, I'm not a cheat, or a thief...

I'm a great dad— and my kids will never get beat  
Kayden— you're beautiful, a princess, a goddess...  
Whatever u do, girl, I know u tryin' yer hardest...

SAY IT OVER AND OVER--- say it just like that--

You're a GOOD GIRL and (your) Dad's got your back...

[[["I see we've made a lot of progress today, Andrew---  
I think you should come back again next week..."]]]
