I come back, every year I get newer  
I'm the dust on the moon, I'm the trash in the sewer  
Let's go, I come back, every year I get brighter  
If you thinkin' hip hop is alive, hold up your lighter

Let's go, I come back, every year I'm expandin'  
Talkin' to developers about this city we plannin', c'mon  
I come back through any endeavor  
This is hip hop, we gon' last forever

Hip means to know, it's a form of intelligence  
To be hip is to be update and relevant  
Hop is a form of movement  
You can't just observe a hop, you gotta hop up and do it

Hip and hop is more than music  
Hip is the knowledge, hop is the movement  
Hip and Hop is intelligent movement  
Or relevant movement we sellin' the music

So write this down on your black books and journals  
Hip hop culture is eternal  
Run and tell all your friends  
An ancient civilization has bee born again, it's a fact

I come back, every year I'm the strongest  
KRS-One, Marley Marl, yup, we last the longest  
Let's go, I come back 'cause I'm not in the physical  
I create myself, man, I live in the spiritual

I come back through the cycles of life  
If you been here once you gon' be here twice  
So I tell you, I come back 'cause you must learn too  
Hip hop culture is eternal

Hip hop, her infinite power  
Helpin' oppressed people, we are unique and  
unequaled  
Hip hop, holy integrated people  
Havin' omnipresent power, the watchman's in the tower  
of

Hip hop, hydrogen iodine phosphorous  
Hydrogen oxygen phosphorous, that's called  
Hip hop, the response of cosmic consciousness  
To our condition as hip hop

We gotta think about the children we bringin' up  
When hip and hop means intelligence springin' up  
We singin' what? Sickness, hatred, ignorance and  
poverty  
Or health, love, awareness and health, follow me

I come back, every year I get newer  
I'm the dust on the moon, I'm the trash in the sewer,  
that's right  
I come back, every year I get brighter  
If you think hip hop is alive hold up your lighter, let's go

I come back, every year I'm expandin'  
Talkin' to developers about this city we plannin'  
I come back through any endeavor  
This hip hop we gon' last forever

We will be here forever  
We will still be here forever  
Get what I'm sayin' forever  
Marley

I come back, every year I get newer  
That's that, that's that  
I come back, every year I get newer  
That's that, that's that
