kerna the rap gang is back
ini beat yang lebih compact
untuk pendengar-pendengar yang intelek
so get get get n listen to me yo! mack
lu gotta make it make it sweat
to the new jack track
yo wack!? rentakku menghentak gempak like a bang
menyampai tempo terbaru rap with a new style slang
the rap gang seperti d'man al cuppone
we're in a zone? wa on the microphone
sj play the tone with the saxophone
yo! my rap throne
jangan-janganlah kamu terpegun
kru is back? we're gonna
really really wack this track
kru posse join da party boogie mood ini
bersama menghibur hati
mengikut rentak gempak rap yang funky
yeah yeah yeah u got the right stuff baby
mamat rap wa tangkap respect
dengan step lu mack
janganlah melepak-lepak
infact mat lepak itu lah mat slack
yo! dig the beat cuba menari step style street
can you feel the heat
just shake your feet and shake it neat yeah
hit the note dj gempar satu episode
beatman menyusunkan lagu ngam fit
mc menyampaikan rap in speed
kini kru menjadi kontroversi berita sensasi
jika masa lu tak hargai
"esta lavista baby"

kami tahu what you want is

beat gempak dan rap steady

so pump the speaker full blast

ini khas from kru to you

tell the people on the streets
rappers never will retreat
when the kru plays the beat
