They say it's up to me  
They say it's up to you  
They say a bunch of shit  
When it's hell they put you through  
Death on TV, death on the streets  
Its death you've got to pray for  
If you want any peace

[Chorus:]  
They cut into me,  
They cut into you,  
They throw it away  
(Nothing you can do)  
They cut into me

Oh, Ritalin's the heroin of bratty little kids  
The bums on the street want more than you can give  
So dance on broken glass  
And drink straight from the fire  
Forget what you know  
Oh, shoot what gets you higher

[Chorus]

I get up and I see all the ugly things in this world  
Don't think I can take it  
Look at your TV, it's controlled reality  
All this fucking shit, It cuts into me

[Chorus]
