Visit "[Eliminate](#)" on MotoLyrics.com

Eliminate, Eliminate, Eliminate

Eliminate all history
Culture and mankind
Eliminate the past
Leave it all behind

[Chorus:]
Regress, Regress, Regress
Eliminate

Eliminate all history
Culture and mankind
Eliminate the past
Leave it all behind

They say eliminate the spic
Nigger and gook
Eliminating white trash
We're eliminating all of you

[Chorus]

Eliminate, Eliminate, Eliminate

They say eliminate the spic
Nigger and gook
Eliminating white trash
We're eliminating all of you

[Chorus]

Unite the people
