Tell me more lies, so I can understand  
If I didn't see it then it never happened  
Wrapped up in red tape  
Trail of tears  
And the holocaust was a fantasy full of leprechauns  
And no, no, no, life's great

With eyes sewn shut, believe anything  
With eyes wide open, stare into nothing

We're fed their lies in our obese world  
And fear a boogeyman and his bullet shells  
He's hiding out inside them caves  
So Mr. President, thanks a bunch for your words of  
peace  
I know they mean so much  
You're fucking full of shit

Our lives have been forsaken  
Not for truth, or justice, or any kind of peace  
Our lives have been forsaken  
For no other reason than greed

Tomorrow may be the day that we die  
Tonight is the night that we rise  
We're singing songs of hope  
All the death and the hate that we see  
Is taught from those that were taught to believe  
They only want one thing

Our Live Have Been Forsaken
