[Verse 1]

We're gonna play our music  
We're gonna do it our way  
Screaming sianora  
If you get in our way  
What were you expecting?  
Maybe some real good songs  
All you got were Krum Bums  
We don't give a fuck

[Chorus]

Krum Bums!  
[indecipherable]  
(repeat x3)  
Krum Bums! x 3

[Verse 2]

We're the kids at all the shows  
We're the kids in the street  
Screaming out unity  
And drinking like a fish  
All you motherfuckers  
Who don't support the scene  
You're the reason for our death  
You can suck our dicks

[Chorus]

[Verse 2]
