In this life you've got the right  
To fight for yourself  
Or give in and die  
Take the job they give you  
And take it to the grave  
You took what they were giving  
So they take your life away

[Chorus:]  
Let Go  
Forget what you've been taught  
Let Go, Let Go  
You can't be bought  
Let Go  
Fight for yourself  
Let Go, Let Go!

Everything has been lost today  
People and the memories  
They fade away  
The dreams we had we threw away  
And bought a new TV  
We watch our lives pass us by  
On our own silver screen

[Chorus]
