I've been thinking about  
Something in my head  
I've been thinking about seeing  
This world dead  
Oh, people and their problems  
And the things that will never be  
What about the people that will  
Never be free

[Chorus:]  
We Will Resist!

Blah, blah, blah  
Talk your shit  
We're staring straight at you  
And all the things you talk about  
Its never fucking true  
Yeah, people and their problems  
And the things that will never be  
What about the people  
That are screaming anarchy

[Chorus]
