I have drifted once again, LORD God
I thought I could do it alone
Without You I am nothing
Without You where would I go?

I PRAY FROM THE BOTTOM OF MY HEART
FROM MY INNERMOST BEING I PLEA
SAVE ME FROM THE DEVIL'S WRATH
AND GIVE ME PEACE WITH THEE

Your love is so great and strong
Why do You forgive me?
For I have done You nothing but wrong
Yet You're there to love me
Save me from these wicked ways
Help me stand on my feet
Guide me through this wicked world
From this prison set me free

I PRAY FROM THE BOTTOM OF MY HEART
FROM MY INNERMOST BEING I PLEA
SAVE ME FROM THE DEVIL'S WRATH
AND GIVE ME PEACE WITH THEE

I lift my voice for mercy, LORD
I give my heart to You, oh
Fill me with Your love and strength
So I may live through You, oh

REPEAT CHORUS (2x)
