Germaniac - No Human Contact Mix  
Transcribed from the Mute CD 'Metall Maschinen Musik'  
"No making friends, no human contact with the  
Germans who by the war crimes  
they have committed place themselves outside of the  
society of civilized  
nations"  
"No making friends, no human contact with the  
Germans"  
Micro-precision and heart full of steel  
Strategic kindness, mechanic feel  
Logical passion, pre-planned joy  
Controlled madness, the world is just a toy  
Concrete emotions, artificial tears  
Dog-faced devotion, one thousand years  
Perfuse perfection, dishonest smile  
Malicious action, vicious and vile  
Germaniac!  
Mad in Germany  
Germaniac!  
To rule the world  
Ha!  
"No making friends, no human contact with the  
Germans"

Dog-faced devotion, one thousand years  
Perfuse perfection, dishonest smile  
Malicious action, vicious and vile  
Germaniac!  
"We are Lutheran, from Essen Germany, the Ruhr  
valley, my father was long  
time a Krupp steelworker"  
Invasions, visions for an insane mind

Carry power to threaten mankind  
Faultless deduction, always correct

Preparing in secret, a beastly attack  
Germaniac!
