I don't oppose
I don't confront
go with the flow
hard to control
I do conform
I follow the norm
swim with the mainstream
I'm not what I might seem
I can't be identified
Mr. Faceless personified
without reflection
there's no detection
This is my strategy
I use the LCD

you can call me an infiltrator
I'm the Lowest Common Denominator
I won't protest
I won't disapprove
the faceless crowd
covers my moves
I don't offend
seem easy to bend
don't have a profile
no godgiven style.
Music: Engler, Altus. Lyrics: Doerper
