Somebody tell me where you're coming from
Somebody tell me about God's Son
Somebody tell me where I'm going to
Somebody help me to see the Truth

Somebody find me for I am lost
Somebody help me to find the cross
Somebody teach me, the Word is my sword
Somebody reach me, I need You, LORD
Somebody hear me as I say my prayer
Somebody hear me, does anyone care?
Somebody hear me, dear God are You there?
Somebody heal me, this pain's too much to bear

SOMEBODY HELP ME LIVE IN THIS NATION
HOW CAN I MAKE IT WITH ALL THIS TEMPTATION
O LORD FORGIVE ME, TURN MY LIFE AROUND
LORD PLANT MY FEET FIRM ON SOLID GROUND

Somebody help me, this life ain't easy
There's so much evil out there to tease me
Why can't I find something pure to please me
I need you, God, to come and sieze me

LORD JESUS HELP ME LIVE IN THIS NATION
HOW CAN I MAKE IT WITH ALL THIS TEMPTATION
O LORD FORGIVE ME, TURN MY LIFE AROUND
LORD PLANT MY FEET FIRM ON SOLID GROUND

Who's gonna help me?
Who's gonna hear me?
Dear Jesus heal me
You know I need You near me
