And I am telling you  
I'm not going  
You're the best man I'll ever know  
There's no way I can ever go  
No, no, there's no way  
No, no, no, no way I'm living without you  
I'm not living without you  
I don't wanna be free  
I'm staying  
I'm staying  
And you, and you  
You're gonna love me, oohh ooh mm mm  
You're gonna love me

And I am telling you  
I'm not going  
Even though the rough times are showing  
There's just, there's no way, there's no way  
We're part of the same place  
We're part of the same time  
We share the same blood  
We both have the same mind  
And time and time, we've had so much to see and  
No, no, no, no, no, no  
I'm not waking up tomorrow morning and finding that  
there's nobody there

darling there's no way  
No, no, no, no way I'm living without you  
I'm not living without you  
You see there's just no way, there's no way

Tear down the mountains  
Yell, scream, and shout like you can say what you want  
I'm not walking out  
Stop all the rivers, push, strike, and kill  
I'm not gonna leave you  
There's no way I will

And I am telling you

I'm not going  
You're the best man I'll ever know  
There's no way I can ever, ever go  
No, no, no, no way  
No, no, no, no way I'm living without you  
Oh, I'm not living without you, not living without you  
I don't wanna be free  
I'm staying, I'm staying  
And you, and you, and you  
You're gonna love me

You're gonna love me, yes you are  
Ooh ooh love me, ooh ooh ooh love me  
Love me, love me, love me, love me

You're gonna love me
