And I am telling you
I'm not going
You're the best mom I'll ever known
There's no way I can ever go

No no no no way
No no no no way
I'm living without you
I'm not living without you

I don't wanna be free
I'm staying
I'm staying
And you, and you

You're gonna love me
eeh.. eeh.. ohh.. ohh.. ohh.. hoo..
You're gonna love me
eeh.. ooh.. ooh.. ooh.. ooh.. yeah..

And I am telling you
I'm not going
Even though the rough times are showing
There's just

There's no way!
There's no way!
We're part of the same place
We're part of the same time

We share the same blood
We both have the same mind
And time and time
We've had so much to share

No no no no no no!
I'm not waking up tomorrow morning
Haha!
And finding that there's nobody there

Darling there's no way!
No no no no way!

I'm living without you
I'm not living without you

You see there's just no way
There's no way!
Tear down the mountains
Yell, scream and shout

But you can say what you want
I'm not walking out
Stop all the rivers
Push strike and kill

I'm not gonna leave you
There's no way!
I will.....
And I am telling you

I am not going you're the best mom
I'll ever known there's no way
I can ever ever go
No no no no way!

No no no no way
I'm living without you
I'm not living without you
Not living without you

I don't wanna be free
I'm staying
I'm staying
And you, and you, and you,

You're gonna love me
Yeah Yeah Yeah Oh Oh Ho!
You're gonna love me
You're gonna love me

Yeah
Ooh love me
Ooh love me
You're gonna love me

Love me
Love me
Love.....!
You're gonna love me.....

Yeah.....!!!
