Intro:

We've got a secret  
Only you and I know  
We've got a language  
Only we can speak  
I want you to be  
Wherever I go  
It keeps getting better everytime we meet

I feel it deep inside it can't be denied Oh

Chorus:

I knew the first time that we were together  
I was born to love you forever  
Nothing comes between us  
No one will ever 'cause baby  
I was born to love you forever

Ohhh

I feel it in my heart that it's destiny  
Can tell when we kiss, by the way we touch  
I made for you, You're made for me  
I never dreamed that  
I could feel this much

I feel it deep inside it can't be denied  
Ohhh

(Repeat Chorus)

Bridge:

Because we're young  
I know they doubt us  
But they don't know the first thing about us  
We close our eyes when we kiss  
We never lose our innocence

I feel it deep inside it can't be denied Oh

(Repeat Chorus)

I was born to love you forever
