If I Should stay
I would only be in your way
So I'll go
But I know
I'll think of you in every step of
The way

And I...
Will always
Love you, oohh
I will always
Love you
You
My darling you
You

Bittersweet
Memories
That is all I'm taking with me
So good-bye
Please don't cry
We both know I'm not what you
You need

And I...
Will always love you
I...
Will always love you
You, ooh

[Instrumental / Sax solo]

I hope
Life treats you kind
And I hope
You have all you've dreamed of
And I wish you joy
And happiness
But above all this
I wish you love

And I...

Will always love you
I...
Will always love you

I, I will always love
I will always love
You...
I, I will always love
You
I will always Love
You...
You
Darling I love you
I love you
Oooh
I will always will always
Love you...
Ooohhh
