Listen, to the song here in my heart
A melody I start but I can't complete
Oh, the time has come for my dreams to be heard
They will not be pushed aside and turned
Into your own, all 'cause you won't listen.

Listen!
I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried
To say what's on my mind
You should have known.

Oh, Now I'm done believin' you
You don't know what I'm feelin'
I'm more than what you've made of me
I've followed the voice, you gave to me
But now I've gotta find my own
You should have listened.

There was someone here inside
Someone I thought had died, so long ago
Oh, I'm screaming out
For my dreams will be heard
They will not be pushed aside or turned
Into your own
All 'cause you won't listen.

Listen!
I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried
To say what's on my mind
You should have known, oh.

Now I'm done believing you
You don't know what I'm feeling
I'm more than what you've made of me
I've followed the voice, you gave to me
But now I've gotta find my own.

I don't know where I belong

But I'll be moving on
If you don't, if you won't... listen!
To the song here in my heart
A melody I start, but I will complete, oh.

Now I'm done believin' you
You don't know not what I'm feelin'
I'm more than what you've made of me
I've followed the voice you think you gave to me.
Now I've gotta find my own, my own.
