I know that when you look at me  
There's so much that you just don't see  
But if you would only take the time  
I know in my heart you'd find  
Oh a girl that's scared sometimes  
Who isn't always strong  
Can't you see the hurt in me  
I feel so all alone

I wanna run to you  
I wanna run to you  
Won't ya hold me in your arms and keep me safe from  
harm  
I wanna run to you  
But if I come to you  
Tell me will you stay  
Or will you run away

Each day, each day I play the role  
Of someone always in control  
But at night I come home and turn the key  
There's nobody there, no one cares for me  
Oh woah what's the sense of trying hard to find your  
dreams  
Without someone to share them with  
Tell me what does it mean

Run away, no  
I need you here I need you here to wipe away my tears  
To kiss away my fears  
No if you only knew how much I wanna run to you  
Ya know I wanna run to you  
Won't ya hold me in your arms and keep me safe from  
harm  
I wanna run to you  
But if I come to you  
Tell me will you stay  
Or will you run away
