Father, I don't know why I've done You wrong
You've done nothing but given me a chance to carry on
Forgive me for the sin that I have tasted
I need Your love to heal me of the time that I have
wasted

YOU ARE ALL I NEED, FATHER
I DO BELIEVE, YEAH, THAT
YOU ARE ALL I NEED

Like a river flowing through the deepest valley
You have shaped me into more than I could ever wish
to be
I need direction to follow in Your footsteps

Dear Jesus, give me the words in song to proclaim You

YOU ARE ALL I NEED, FATHER
I DO BELIEVE, YEAH, THAT
YOU ARE ALL I NEED

Father You are all I need
You're all I need
You're everything
I'll never ask for more than Your love
'Cause I know You'll give me everything

YOU ARE ALL I NEED, YEAH
YOU ARE ALL I NEED
