Birdie birdie in the sky
Do you ever wonder why
Tears are falling from my eye
I know to you it's not explained
Deep inside my heart's aflame
Jesus Christ He takes away my pain

GOD'S ALREADY WON THE WAR
NOW I CAN SPREAD MY WINGS AND SOAR
THE WAVES ARE CRASHING ON THE SHORE
BUT GOD'S ALREADY WON THE WAR

Flowers blowing in the wind
Say the clouds are moving in
Will I stand or will I fall
But take my hand and lead me on
Let your Spirit fill my soul

Take my heart and make me whole

GOD'S ALREADY WON THE WAR
NOW I CAN SPREAD MY WINGS AND SOAR
THE WAVES ARE CRASHING ON THE SHORE
BUT GOD'S ALREADY WON THE WAR

Why do I feel the way that I feel
If God's already won the war?
If I'll trust in God alone
He can give me so much more

GOD'S ALREADY WON THE WAR
NOW I CAN SPREAD MY WINGS AND SOAR
THE WAVES ARE CRASHING ON THE SHORE
BUT GOD'S ALREADY WON THE WAR

GOD'S ALREADY WON THE WAR
