Visit "[Craft](#)" on MotoLyrics.com

Kingdoms come and kingdoms go
One man dead you may know
To the witch they inquire
Punished by death and fire

The craft black or white
Won't save you from the strife
That you're feeling, feeling inside
ONLY JESUS CHRIST WITH A TONGUE LIKE A KNIFE
UNDERSTANDING TRUTH AND LOVE
BY HIS GRACE BY HIS BLOOD
JESUS CHRIST THE ONLY SON
ALL ARE SAVED BECAUSE OF THE ONE

How many lies to conceive
Manipulating lines they weave

How many sins passed around
When His mighty love comes down

REPEAT CHORUS

God is the image of things unseen
For by Him all things are made
Only by Him can we be saved
He is the first, and by Him we prayed

REPEAT CHORUS

Take me for a fool
You practice witchcraft in our schools
Who will be fooling around
When His mighty love comes down?
