I WANNA FIGHT, I WANNA FIGHT, FOR WHAT IS RIGHT  
I WANNA FIGHT FOR THE RIGHT TO she'd HIS LIGHT

There I was out on the road today and the people were  
passing me by  
Faced with a choice that was not my own  
Whether I would live or die  
But I stood up for what I believe and all they did was  
put me down  
They called me names and caused me pain  
Condemned me for who I was

I WANNA FIGHT, I WANNA FIGHT, FOR WHAT IS RIGHT

I WANNA FIGHT FOR THE RIGHT TO she'd HIS LIGHT

I'm not afraid to take a stand for what I know is right  
You better believe whatever they can do  
I'm not afraid to fight  
I'll serve my Lord until the day I die  
Nobody can hold me back  
I'm not ashamed to praise His Name and serve the One  
I love

I WANNA FIGHT, I WANNA FIGHT, FOR WHAT IS RIGHT  
I WANNA FIGHT FOR THE RIGHT TO she'd HIS LIGHT
