Dark clouds overspread the sky  
An evil storm rages tonight  
The people are caught in the devil's hand  
Morning breaks, the sky is clear  
The sun will soon appear  
And peace will fall upon the land

HERE COMES THE SON AGAIN  
IT'S TIME TO GO WITH HIM  
AND SIT WITH MY FATHER UP IN HEAVEN  
LORD JESUS I BELIEVE IT'S TRUE  
I WANNA GO AND BE WITH YOU  
AND SIT WITH MY FATHER UP IN HEAVEN

Now I know that Jesus is  
And all I have is His  
And His great love it comforts me  
And I know the time is near  
The time when Jesus is here  
And He'll come back in all His glory, yeah  
HERE COMES THE SON AGAIN  
IT'S TIME TO GO WITH HIM  
AND SIT WITH MY FATHER UP IN HEAVEN  
LORD JESUS I BELIEVE IT'S TRUE  
I WANNA GO AND BE WITH YOU  
AND SIT WITH MY FATHER UP IN HEAVEN

Well I just wanna say  
No one knows the time or day  
When Jesus Christ will return again  
And I would really hate  
If you or I were late  
So let's make Jesus Lord and King, yeah

REPEAT CHORUS

LORD JESUS I BELIEVE IT'S TRUE  
I WANNA GO AND BE WITH YOU  
AND SIT WITH MY FATHER UP IN HEAVEN  
SIT WITH MY FATHER UP IN HEAVEN
