JESUS, JESUS, HE IS THE WAY  
HE'S THE ONE THAT TURNS YOUR NIGHT INTO DAY

He didn't die on that cross for nothing  
He died to pay the price to take your sins away  
He sent down His Spirit to dwell among us  
So we could tell the world that He is the Way

JESUS, JESUS, HE IS THE WAY  
HE'S THE ONE THAT TURNS YOUR NIGHT INTO DAY

If you wanna know what I'm singing for  
I'll tell you right now that it's for the LORD  
'Cause He is the Way, the Truth, the Life  
And His light will guide you through the night  
JESUS, JESUS, HE IS THE WAY  
HE'S THE ONE THAT TURNS YOUR NIGHT INTO DAY

Drip, drip, drip was the sound of the blood  
That cleansed us from sin because of His love  
But on the third day He rolled the stone away  
So let's shout on high that Jesus saves

His love is higher than the mountain  
Deeper than the valley  
Wider than the river  
And stronger than the Devil

JESUS, JESUS, HE IS THE WAY  
HE'S THE ONE THAT TURNS YOUR NIGHT INTO DAY

Jesus, Jesus, Jesus, Jesus
