I wonder why it is I feel so good
Feel better than I thought I ever could
The sun is shining and the sky is clear
I feel like laughing I'm so full of cheer
I know the reason why I'm feeling great
There is no cause for any great debate
God's up in Heaven and I'm here on earth
I need to thank Him for my new rebirth
HOW DO I CALL HIM
IS HE IN THE BOOK?
HE'S GOT A PHONE THAT'S NEVER OFF THE HOOK
YOU WON'T BE GREETED BY A TAPE MACHINE
HE ALWAYS ANSWERS ON THE FIRST RING

HEY GOD IT'S ME
HOW YA DOING?
WHO ME? I'M DOING JUST FINE
JUST CALLED TO TELL YOU I LOVE YOU

AND TO THANK YOU FOR A WONDERFUL LIFE
THANKS FOR TODAY AND WHAT TOMORROW BRINGS
I WANT TO THANK YOU FOR EVERYTHING
THANK YOU FOR GIVING ME A SONG TO SING
AND THAT'S MY PHONE CALL TO GOD

I wonder why it is I'm feeling down
I want to smile but all I do is frown
The sky is cloudy and it looks like rain
I feel like crying and the world's insane
I know the reason why I'm feeling blue
There is one thing that I forgot to do
God's up in Heaven and He feels my pain
I'll pray to Him and He will take it away
