RIP VAN WINKLE GONNA SLEEP FOREVER  
GONNA SLEEP HIS LIFE AWAY  
RIP VAN WINKLE DON'T KNOW THE SAVIOR  
GONNA SLEEP THROUGH JUDGMENT DAY

Open up your eyes, wake up and smell the napalm  
The sky is filled with smoke and you're covered up in  
ash  
The dead are all around you and the saints have gone  
to Glory  
But you fell asleep and now you're all alone

You wander through the rubble looking for a sign of life  
You're hoping that just maybe you will run across your  
wife  
Your children or your neighbors, but they're either  
dead or gone  
Then you come across some pages that are scattered  
'cross the lawn  
You start to read one of them thinking maybe it's a clue  
But it's just from a Bible that had once belonged to you  
One time you'd been a Christian, or maybe so you  
thought

But later in your life you decided you were not  
You were nice to your neighbor, you were good to your  
wife  
But a God you could not see or hear was sure not worth  
your life  
You thought He was a legend, Jesus Christ was just a  
fake  
But now you look around and wonder why you weren't  
awake

REPEAT CHORUS

So many people think that Jesus Christ is make-believe  
They only trust the things that they can touch or hear or  
see  
But just because you don't believe don't mean that it's  
not there  
And when your life and soul's at stake, you'd better just

beware

So if you're Rip Van Winkle, thinking that you've got it  
made

Just give your heart to Jesus and WAKE UP!!! before it's  
too late

REPEAT CHORUS
