"Get Away"

Before I come crashing down
I need to find a place to rest
Come aside for awhile
Like I did before
It's been ages
Since I took the time
Just to be with you
And I need to...

Chorus:
Get away...get away...get away
I need to get away now
And gather my thoughts now
I need to get away...get away...get away
I need to get away now
And pour out my heart now
Yeah

It's time that I slow down
So I can catch my second breath
By your side for awhile
'Cause that's where I belong
I need to spend some time away
In Your presence once again
I need to...

(Chorus)

The minute I get away
It's gonna be alright yeah!
Nothing else can replace
When You and me spend time
There's no way I'm gonna wait
No, I'm gonna leave right now
Find a quiet place in the shade
Where you and me can talk
I, I've got get away
I've got to get away now

(Chorus)

So I can be close to You...
So I can be close to You...

You've Got Everything
O when I think about
The universe is Yours
My mind starts trippin' out
That I mean so much to You
And I don't know why
'Cause You've got everything

Last night the stars were out
Reminded me of You
I sat there spacin' out
That You made me too
And I don't know why
'Cause You've got everything
So why would ever need anything?

Chorus:
(I got) You...
You've got everything
I mean "everything"
So why would I ever doubt You?
When I look at You
You've got everything
More than words can say
Much more than I ever dreamed about
Everything...

I finally figured out
Writing out this tune
That money, homes and motor cars
Are nothing without You
You gave Your life
Yes, You gave everything
So why would I ever need anything?

(I got) You...
You've got everything
I mean "everything"
So why would I ever doubt You?
When I look at You
You've got everything
More than words can say
Much more than I ever dreamed about
Everything...

You got everything I need
You, You've got everything

You...
You've got everything
I mean "everything"
So why would I ever doubt You?
When I look at You
You've got everything
More than words can say
Much more than I ever dreamed about

(Chorus)

When I look at You
You've got everything
Everything everything
Everything I need yeah...
Yeah...

Isaiah 52:7

Isaiah 52:7 NKJV
How beautiful upon the mountains
Are the feet of Him who brings good news
Who proclaims peace
Who brings glad tidings of good things
Who proclaims salvation
Who says to Zion
"Your God reigns".
