Right at seven  
Awakened by the sun  
Dreaming's over  
Your nightmare just begun  
Does anybody ever think It's right?  
Anybody ever think what's wrong?  
Tell me are you getting tired  
Of this world you're riding on?

And you spin  
You're spinnin' round and round  
And you spin  
You're spinnin' round and round

When the week is over  
Your life has just begun  
You are getting older  
While you say the night is young  
Have you ever thought when it feels right  
Have you ever thought you might be wrong?  
Have ever thought about  
The reason why You can't be what you want?

And you spin  
You're spinnin' round and round  
And you spin  
You're spinnin' round and round

O and you spin  
You're spinnin' and spinnin' and spinnin'  
And spinnin, and spinnin' and spinnin,  
And spinnin' and spinnin' around

La la la la...la la la la...  
La la la la...  
You're spinnin' and spinnin around

And you spin  
You're spinnin' round and round  
And you spin  
You're spinnin' round and round
