been through the fire
through the pouring rain
a true desire
a Holy flame
from the morning light
to the midnight sun
not gonna give up
till the race is won

Chorus:
i keep on running
and i keep on running
running to You

some will stand
some will fall
down by the way side
some leave the call
i won't turn my back
nor turn away
my eyes on Jesus
'till my dying day

Repeat chorus

when life is over
if i endure
don't run for nothing
my hope is sure
if i don't loose heart
i don't loose faith
not gonna slow down!
till i see His face

Repeat chorus

on and on and on
i keep on running
on and on and on
i keep on running

1 Cor 9:24-27
