Right at seven
Awakened by the sun
Dreaming's over
Your nightmare just begun
Does anybody ever think It's right?
Anybody ever think what's wrong?
Tell me are you getting tired
Of this world you're riding on?

And you spin
You're spinnin' round and round
And you spin
You're spinnin' round and round

When the week is over
Your life has just begun
You are getting older
While you say the night is young
Have you ever thought when it feels right
Have you ever thought you might be wrong?
Have ever thought about
The reason why You can't be what you want?

And you spin
You're spinnin' round and round
And you spin
You're spinnin' round and round

O and you spin
You're spinnin' and spinnin' and spinnin'
And spinnin, and spinnin' and spinnin,
And spinnin' and spinnin' around

La la la la...la la la la...
La la la la...
You're spinnin' and spinnin around

And you spin
You're spinnin' round and round
And you spin
You're spinnin' round and round
