(The Kry)

Looking inside me
I realize, I don't like what I see
Aware of my pride
It's no wonder why I'm not what I should be
Through it all
There's on thing I have found
There's no instant crown
So I remind myself..
It takes time..
Can't change overnight
It's gonna take some time 'til you're forever changed...
It takes time
To let the old man die
Wave yourself goodbye and give your whole life away
The heart is deceitful
Desperately wicked no one can know

Put in the fire
It keeps getting purer
Purer than gold
He does it all
I don't have to strive
Now I realize
I can't change myself
It takes time..
Can't change overnight
It's gonna take some time 'til you're forever changed..
It takes time
To let the old man die
Wave yourself goodbye and give your whole life away
The butterfly is transformed overnight
But you and I are being changed day by day
It takes...
