I need  
Some peace in my soul  
The voices I hear  
Are taking control

I will  
Tune my radio  
So I can hear His voice  
Unmistakable

And I always will  
Listen to what God says  
O anytime  
Listen to what God says  
What God says He says

Hiding  
His Words in my heart  
Should have been hiding them  
Right from the start

Changing  
Renewing my mind  
This book can help me find  
My way through this life

And I always will  
Listen to what God says  
O anytime  
Listen to what God says  
And I always will  
Listen to what God says  
Anytime  
Listen to what God says  
What God says He says

O anytime  
I'm gonna listen to the words that Jesus says  
Well, if you don't mind  
O anytime  
I'm gonna take that book and read it for myself  
Every single line

Yeah! anytime  
I'm gonna hide the words He says deep down inside  
So I'm not taken for a ride

Yeah! everytime  
I wanna choose to do  
The thing I know is right  
I wanna make Him smile  
Listen to what God says...

Anytime  
Listen to what God says  
O anytime  
Listen to what God says  
O anytime  
Listen to what God says  
What God says He says
