"Stupid me why did I sign?" I ask myself as here I find  
myself sinking into the quicksand of your crime  
Have I not done enough for you? Now that you've taken  
the best of me we're even so why don't you let me  
leave?

Read what you signed - it tells you that you  
relinquished all your rights

I can't breathe I'm in trouble - I never knew that I could  
bite off more than I could chew  
I can't breathe burst my own bubble- I'm through with  
dancing your tune  
We are through

How can I have been so blind to fall to all your pompous  
lines and embrace you only to get stabbed from behind  
You nailed your victim to the wall and put me on display  
for all to see - I'm sick of living behind the eight ball

Read what you signed - it tells you that you  
relinquished all your rights

I can't breathe I'm in trouble - I never knew that I could  
bite off more than I could chew  
I can't breathe burst my own bubble- I'm through with  
dancing your tune we are through

Read what you signed - it tells you that you  
relinquished all your rights

I can't breathe I'm in trouble - I never knew that I could  
bite off more than I could chew  
I can't breathe burst my own bubble- I'm through with  
dancing your tune we are through
