There's nothing wrong here
Just trust us, we'll soon show a movie and serve
another drink to you
Isn't this comfy?
Well, yes, we're being led by the blind but at least we'll
go down amused

Ignition, but who sent me out on this mission?
I can't believe I applied
Infirmitur quis in vobis
Ignition to my personal demolition
And no one to stop this ride
Tristatur aliquis vestrum
Oh, why?

Don't worry, we have a plan
We just brought in a monkey to save us from crashing
down
Mmh, ain't we the smartest, most brilliant and... oh, by
the way:

It's officially time to panic now!

Ignition, but who sent me out on this mission?
I can't believe I applied
Infirmitur quis in vobis
Ignition to my personal demolition
And no one to stop this ride
Tristatur aliquis vestrum
Why, why, why?

Et oratio fidei salvabit infirmum et adlevabit eum
Dominus
Why, why, why?

Ignition, but who sent me out on this mission?
I can't believe I applied
Infirmitur quis in vobis
Ignition to my personal demolition
And no one to stop this ride
Tristatur aliquis vestrum
Why?
