Before the two of us will take this any further
You've got to tell me if you're ready for a sacrifice, a
little death, a little kill, a little murder
And if you do it good I promise I'll be extra nice
Can you handle this?

My fatal kiss, so sweet it is
A taste you'll never want to miss
My fatal kiss, so sweet it is
Here it is, my fatal kiss

The time is right for a little death, for another kill,
another murder
Say are you willing, are you able to meet my demands
Are you ready to take me a little further

Or do I have to take matters into my own hands?
Can you handle this?

My fatal kiss, so sweet it is
A taste you'll never want to miss
My fatal kiss, so sweet it is
Here it is, my fatal kiss

Can you handle this, can you handle this... ?

My fatal kiss, so sweet it is
A taste you'll never want to miss
My fatal kiss, so sweet it is
Here it is, my fatal kiss, so sweet it is
A taste you'll never want to miss
My fatal kiss, so sweet it is
Here it is, my fatal kiss
