Let me show you my world
See through the eyes of the girl
Break this chains, wash away the stains
Until nothing but a free mind remains

Maybe then you will see
What the beauty of life truly means
Take my hand for the time we'll spend
On this journey through a new wonderland

Quae laetitia!
Quae magnanimitas eximia!
Quae laetitia!
Quae magnitudo et psalmodia!
Celebrate, iubilate
Celebrate vitam et libertatem
Celebrate, iubilate
Ecce vita!

There's no place around
Where the beauty of life can't be found
Hear the wind whisper tales and hymns

Of a new dawn about to begin

Quae laetitia!
Quae magnanimitas eximia!
Quae laetitia!
Quae magnitudo et psalmodia!
Celebrate, iubilate
Celebrate vitam et libertatem
Celebrate, iubilate
Ecce vita!

Leave your past behind
Let go of the doubts in your mind
Change your ways here's the chance you craved
For a new start with the cleanest of slates

Quae laetitia!
Quae magnanimitas eximia!
Quae laetitia!

Quae magnitudo et psalmodia!
Celebrate, iubilare
Celebrate vitam et libertatem
Celebrate, iubilare
Ecce vita!
