I never thought I would feel this way  
Something's happened and I've changed  
Could it be that I only found you to lose myself?  
But you'll never know, you will never know  
Cause you can't see my eyes following you from a  
distance  
Hungry for each move you make  
I'm watching when you dream at night, can you feel my  
pain?  
But you'll never know, you will never know

Cause you won't see the fight inside, the cuts and  
bruises  
See the side I hide that's so damn ruthless  
See the fight inside, so sick and useless  
I won't free the freak in me  
I gotta die on my own

I barely can control the way I'm feeling  
You're alone, asleep, I'm here  
I'm so close I can almost taste you, I feel you breathe

Got to stay away, got to stay away

So you won't see the fight inside, the cuts and bruises  
See the side I hide that's so damn ruthless  
See the fight inside, so sick and useless  
I won't free the freak in me  
I gotta die on my own

I just cannot stand it any longer  
Can't control the urge so strong  
The other side is finally taking over now  
I can't help myself, I can't help myself

It's time you see the fight inside, the cuts and bruises  
See the side I hide that's so damn ruthless  
See the fight inside, so sick and useless  
I won't free the freak in me  
I gotta die on my own  
See me, feel me, free me, bleed me  
Now I'll free the freak!
