"Why"

Visit "[Why](#)" on MotoLyrics.com

Questions questions intertwined, a secret to be told
I need some answers to ease my mind, I need them to
unfold
Pages turned under pallid light, my confidence out
cold
The truth a lie, but why, tell me

Why do you leave me in the cold
Why did you break this heart of gold
Why did you lie to me, tell me why
Respondate confestim
Why do you leave me in the cold
Why did you break this heart of gold
Why did you lie to me, tell me why
Respondate confestim

Answers answers you've been found, the secret
stripped and bare
Reality turned upside down, the truth has left me
scared
I need to break away right now instead I'm trapped in
here

The truth a lie, but why, tell me

Why do you leave me in the cold
Why did you break this heart of gold
Why did you lie to me, tell me why
Respondate confestim
Why do you leave me in the cold
Why did you break this heart of gold
Why did you lie to me, tell me why
Respondate confestim

Why do you leave me in the cold
Why did you break this heart of gold
Why did you lie to me, tell me why
Respondate confestim
Why do you leave me in the cold
Why did you break this heart of gold
Why did you lie to me, tell me why
Respondate confestim
