So many nights alone  
Without you by my side  
I never knew what  
I was missing  
But then you came along  
With all your special ways  
Bringing me joy, laughter,  
What I was wishing for

CHORUS:  
My angel  
On my shoulder  
You give me shelter  
You give me love and affection  
And everytime I turn around  
You're still right here  
Angel  
My angel  
Ooh my dear

My wonderful friend  
In time of trouble and  
When all the rest of the world  
Runs away  
You opened up my heart  
And made me realize  
You would be the one  
Who would stay here

repeat CHORUS

When things sometimes  
Start looking down  
You're with me  
No matter what  
No matter how  
You seem to find a way  
Sharing your love  
From up above  
You're all I'll ever need  
God must have

Sent you to me

repeat CHORUS

ooh my dear (4X)
